BERTA PESTI

INNOVATIVE.DEDICATED.RESILIENT

Berta is a technical advisor on REDD+ finance at UNDP's REDD+ team based in Geneva and the interim head of the Secretariat of the Central Africa Forest Initiative, a multi-donor fund to support the conservation of Central African forests. Previously she worked in the area of low emission development strategies and nationally appropriate mitigation actions at UNDP, environment and local development at UNITAR in Geneva and at the World Bank Institute and in the humanitarian field as a delegate of the International Committee of the Red Cross. Berta is a member of the IUCN Committee on Environmental Law and the energy law specialist group thereof. She holds an MSc in Finance and Financial Law from the University of London, an LLM in Environmental Law and Land Use Planning and a Postgraduate Diploma in Environmental Pollutions from the University of Strasbourg and a JD in Law from the University Eotvos Lorand of Budapest, Hungary. She is fluent in English, French, Spanish and Hungarian.
