INVITATION

World Wildlife Day 2019 Celebration in Geneva

📅 Friday, 1st March 2019 ⌚ 9:30-12:30

📍 Palais des Nations, Room XIV (Cinema or Kazakh Room | Door A15 or A17)

World Wildlife Day will be celebrated in 2019 under the theme "Life below water: for people and planet", which aligns with goal 14 of UN Sustainable Development Goals.

This is the first World Wildlife Day to focus on life below water. It is a great opportunity to raise awareness about the breathtaking diversity of marine life, the crucial importance of marine species to human development, and how we can make sure it will continue to provide these services for future generations.

You are cordially invited to a celebration which will highlight the contributions of the international community in Geneva to ensure sustainable use of marine species.
