

INTERNATIONAL WOMEN'S DAY

DIALOGUE AHEAD OF THE GENERATION EQUALITY FORUM

CLIMATE JUSTICE / GENDER JUSTICE

THURSDAY 5 MARCH 2020 | 8:30-10:00 | PALAIS DES NATIONS | RESTAURANT DES DÉLÉGUÉS

On the occasion of International Women's Day, the Geneva Environment Network Secretariat and Women at the Table cordially invite you to attend a breakfast discussing feminist action for climate justice, to be held at the Restaurant des délégués, Palais des Nations, from 8:30 to 10:00, Thursday, 5 March.

This unique event will feature Fiji's COP23 chief negotiator, Ambassador Nazhat Shameen Khan, in conversation with University Climate activist, Marie-Claire Graff both expert on the COP process, its possibilities and pitfalls organized ahead of the "Generation Equality Forum", convened by UN Women and co-hosted by the governments of Mexico and France, in May and July 2020. We will reflect on: the critical role of women in response to leading and driving solutions for climate change; the lessons learnt across the feminist movement that can be applied to the climate movement; and gender equality and gender justice in the Climate agenda.
