

Safely Eliminating Military and Industrial Toxic Wastes: The Green Cross/Global Green Environmental Security and Sustainability Program

**Thursday, 16 September 2010, 10h00 – 11h30
International Environment House I – Room 3**

We are pleased to invite you to join a discussion on lessons learned from the past fifteen years of weapons demilitarization and toxic waste remediation in the Green Cross International (GCI) Environmental Security and Sustainability Program addressing weapons nonproliferation, threat reduction, site remediation, and ultimate safe disposal of deadly agents, pollutants (including POPs), and energetics. Included will be projects in the United States, Former Soviet Union, Central Asia, and Vietnam.

Provisional Agenda

10h00 – 10h30 Welcome and Introduction

David Piper, Deputy Branch Head, UNEP Chemicals
Nelson Sabogal, Chief, Convention Services and Governance Unit, Basel Convention
