

Chemicals & Waste Briefing

Ahead of the meetings of the main subsidiary bodies under the Basel, Rotterdam and Stockholm Conventions

Tuesday 12 June 2018, 10:00-12:15
International Environment House II (7-9 ch. de Balexert)

You are cordially invited to attend a Chemicals and Waste briefing focusing on the preparations for the meetings of the main subsidiary bodies under the Basel, Rotterdam and Stockholm Conventions to be held in September in Geneva and Rome, and preparations for the Second Meeting of the Conference of the Parties of the Minamata Convention on Mercury, to be held in November in Geneva. This event will also cover the latest developments on how to promote elimination of lead and will be followed by an informal lunch discussion on lead paint.
