

CLIMATE CHANGE 2013

The Physical Science Basis

WG I

WORKING GROUP I CONTRIBUTION TO THE
FIFTH ASSESSMENT REPORT OF THE
INTERGOVERNMENTAL PANEL ON CLIMATE CHANGE

Launch Invitation

Full IPCC WGI Contribution to the Fifth Assessment Report

Thursday 30 January 2014

10:15-12:00

International Environment House 2
7-9 ch. de Balexert

The IPCC Fifth Assessment Report (AR5) will provide a clear view of the current state of scientific knowledge relevant to climate change. It comprises three Working Group (WG) reports and a Synthesis Report (SYR).

The Full Report of the Working Group I (WGI) contribution to AR5 - ***Climate Change 2013: The Physical Science Basis*** will be launched on 30 January 2014. It provides a comprehensive assessment of the physical science basis of climate change in 14 chapters, supported by a number of annexes and supplementary material.

You are cordially invited to attend the launch of the Full Report of the WGI contribution to the AR5, with

Welcome and introduction

Jan Dusik, Acting Director, UNEP Regional Office for Europe

Overview of progress and timeline for AR5

Renate Christ, Secretary, IPCC

Key messages and issues arising from the Report

Thomas Stocker, Co-Chair, IPCC Working Group I

WGI AR5 Atlas of climate projections and other regional information

Gian-Kasper Plattner, Head of the WGI Technical Support Unit

Question & answer session moderated by Renate Christ
