

Green Growth and Green Economy: Passing Fad or Future Paradigm?

**A High-Level Panel to mark the launch of the
Green Growth Knowledge Platform office in Geneva**

Save the Date

Save the Date for the launch of the Green Growth Knowledge Platform office in Geneva. The event will include a welcome address by Bruno Oberle (FOEN) and a high-level panel debate between Achim Steiner (UNEP), Howard Bamsey (GGGI) and Marianne Fay (World Bank), facilitated by Mark Halle (IISD). The event will be followed by a lunch reception. Further information on the event, including registration details will be circulated in early January.

22 January, 11:00 a.m. - 2:00 p.m.
