

ABOUT THIS SESSION

You are cordially invited to attend a Chemicals and Waste briefing, organized within the framework of the Geneva Environment Network, to review the outcomes of the work and key activities that took place in 2021 to advance the sound chemicals and waste management globally and present the latest information on the important conferences scheduled to take place in 2021 and 2022:

- Back to back 15th meeting of the COP to the Basel Convention, the 10th meeting of the COP to the Rotterdam Convention and the 10th Meeting of the COP to the Stockholm Convention (BRS COPs) | online segment in July 2021, and face-to-face segment, in June 2022, in Geneva;
- 4th Meeting of the Conference of the Parties to the Minamata Convention on Mercury | online segment in November 2021, and in-person segment in 2022 in Bali, Indonesia;
- 5th Session of the International Conference on Chemicals Management (ICCM5), postponed until further notice.

Further details are available at <http://tiny.cc/GEN27May>
