The United Kingdom established a taskforce of leaders from business and environmental organisations to consider actions the UK could take to green its international supply chains and leave a lighter footprint on the global environment. Join us for a webinar sharing learnings and reflections on the Global Resource Initiative purpose, process and intended impact, and providing an overview of the taskforce's recommendations.

Event Date and Time: 31 March 2021 at 10:00 a.m. CET

Panellists:

- Sir Ian Cheshire – Chair of the Global Resource Initiative
- Mike Barry – GRI Policy Working Group Lead
- Anna Collins – GRI Human Rights, Social Equity and Gender Champion
- Jonathan Gorman – Technical Director, Efeca
- Joanna Macrae – Co-Head, International Forests, Agriculture and Land Use
UK Department for Environment, Food and Rural Affairs
