

## 47<sup>th</sup> Session of the Human Rights Council

### *“Human-rights-based climate action – taking stock and ways forward”*

**Tuesday 13 July 2021, 5 p.m. CEST**

**The event will be held virtually**

**Subject:** A clean environment, biodiversity and a functioning ecosystem are essential to the implementation and realisation of human rights. Without intact environmental conditions, many of the fundamental human rights are at risk. With a particular focus on vulnerable groups and systemic discrimination, the event will explore the state of the UN’s engagement with regard to human-rights-based climate action and identify potential areas for improvement, collective engagement and cooperation.

#### **Panelists:**

- Bärbel Kofler, Federal Government Commissioner for Human Rights Policy and Humanitarian Assistance
- David Boyd, UN Special Rapporteur on Human Rights and the Environment
- Bruno Pozzi, Director UNEP (Europe Office)
- Representatives from Civil Society (tbc)

#### **Moderator:**

Marc Limon, Director Universal Rights Group

**Registration:** This event will take place online. Please use the following [link](#) to join the event.
