EXECUTIVE BRIEFING

COP-4.2 OF THE MINAMATA
CONVENTION ON MERCURY

2 MARCH 2022 | 10.00 CET
MINAMATA COP-4.2
EXECUTIVE BRIEFING

2 MARCH 2022 | 10.00 CET

SPEAKERS

H.E. Amb. Febrian RUDDYARD
Permanent Representative of the Republic of Indonesia in Geneva

Monika STANKIEWICZ
Executive Secretary of the Minamata Convention on Mercury

Eisaku TODA
Senior Programme Management Officer, Minamata Convention Secretariat

Elizabeth Sarah SALMON
Assistant Deputy Director for Multilateral Cooperation with UN Agencies, Ministry of Health, Republic of Indonesia

Anna GARCIA SANS
Communications and Knowledge Management Officer, Minamata Convention Secretariat

H.E. Amb. Muhsin SYIHAB
Advisor to the Minister for Foreign Affairs on Inter-Institutional Relations, Republic of Indonesia

Claudia TEN HAVE
Senior Policy and Coordination Officer, Minamata Convention Secretariat

Sayid MUHADHAR
Secretary, Directorate General of Solid Waste, Hazardous Waste and Hazardous Substance Management, Ministry of Environment and Forestry, Republic of Indonesia

Bagus BINANTORO
Head of Health Resilience (PeduliLindungi), Digital Transformation Office, Ministry of Health, Republic of Indonesia
AGENDA

Welcome and Introduction
- H.E. Amb. Febrian Ruddyard | Permanent Representative of the Republic of Indonesia to the United Nations, World Trade Organizations, and Other International Organizations in Geneva
- Monika Stankiewicz | Executive Secretary of the Minamata Convention on Mercury

Agenda and Substantive Matters for COP-4.2
- Claudia ten Have | Senior Policy and Coordination Officer, Minamata Convention Secretariat
- Eisaku Toda | Senior Programme Management Office, Minamata Convention Secretariat
- H.E. Amb. Muhsin Syihab | Advisor to the Minister for Foreign Affairs on Inter-institutional Relations, Republic of Indonesia

Information from the Host Country Indonesia on COP-4.2
- Sayid Muhadhar | Secretary, Directorate General of Solid Waste, Hazardous Waste and Hazardous Substance Management, Ministry of Environment and Forestry, Republic of Indonesia
- Elizabeth Sarah Salmon | Assistant Deputy Director for Multilateral Cooperation with UN Agencies, Ministry of Health, Republic of Indonesia
- Bagus Bintanarto | Head of Health Resilience (PeduliLindungi), Digital Transformation Office, Ministry of Health, Republic of Indonesia

Logistical information from the Secretariat
- Anna García Sans | Communications and Knowledge Management Officer, Minamata Convention Secretariat

Q&A

Closing

- Art. 24: Secretariat
- Arts. 25-35: Various procedural articles
## Deadlines and Timelines

<table>
<thead>
<tr>
<th>Date</th>
<th>Article</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>2018</td>
<td>Art. 5, para. 2, and annex B</td>
<td><strong>Acetaldehyde production</strong> in which mercury or mercury compounds are used as a catalyst is to be phased out.</td>
</tr>
<tr>
<td>2020</td>
<td>Art. 4, para. 1, and annex A</td>
<td>Manufacture, import or export of various mercury-added products is no longer allowed (including batteries, switches and relays, compact and linear fluorescent lamps, high pressure mercury vapour lamps, cold cathode fluorescent lamps and external electrode fluorescent lamps for electronic displays, cosmetics, and pesticides, biocides and topical antiseptics, as well as barometers, hygrometers, manometers, thermometers and sphygmomanometers).</td>
</tr>
<tr>
<td></td>
<td>Art. 5, para. 3, and annex B</td>
<td>In <strong>vinyl chloride monomer production</strong>, reduce the use of mercury in terms of per-unit production by 50 per cent by the year 2020 against 2010 use.</td>
</tr>
<tr>
<td></td>
<td>Art. 5, para. 2, and annex B</td>
<td><strong>Mercury-cell chlor-alkali production</strong> is to be phased out.</td>
</tr>
<tr>
<td>2025</td>
<td>Art. 5, para. 2, and annex B</td>
<td>For sodium or potassium methylate or ethylate, reduce emissions and releases in terms of per unit production by 50 per cent by 2020 compared to 2010.</td>
</tr>
<tr>
<td>2027</td>
<td>Art. 5, para. 3, and annex B</td>
<td>For sodium or potassium methylate or ethylate, reduce the use of mercury, aiming at phase-out of this use as fast as possible and within 10 years of entry into force of the Convention.</td>
</tr>
<tr>
<td>2032*</td>
<td>Art. 3, para. 4</td>
<td><strong>Primary mercury mining</strong> that was being conducted within a party’s territory at the date of entry into force of the Convention for that party is to cease 15 years after that date.</td>
</tr>
<tr>
<td>2022</td>
<td>Art. 5, para. 5 (c)</td>
<td>Submit to the secretariat, no later than three years after the date of entry into force for the party, information on the number and types of facilities that use mercury or mercury compounds for processes listed in annex B, and the estimated annual amount of mercury or mercury compounds used in those facilities.</td>
</tr>
<tr>
<td></td>
<td>Art. 7, para. 3 (b)</td>
<td>For a party that determines that <strong>artisanal and small-scale gold mining</strong> and processing in its territory is more than insignificant, submit a national action plan to the secretariat no later than three years after the date of entry into force for the party or three years after the party notifies the secretariat of its determination, whichever is later.</td>
</tr>
<tr>
<td></td>
<td>Art. 9, para. 3</td>
<td>Identify relevant point source categories no later than three years after the date of entry into force for the party.</td>
</tr>
<tr>
<td>2021*</td>
<td>Art. 8, para. 3, and art. 9, para. 4</td>
<td>Submit an <strong>implementation plan</strong>, if one has been developed, within four years of the date of entry into force for the party.</td>
</tr>
<tr>
<td>2022*</td>
<td>Art. 8, para. 4</td>
<td>For new <strong>emission sources</strong>, require the use of best available techniques and best environmental practices no later than five years after the date of entry into force for the party.</td>
</tr>
<tr>
<td>2022*</td>
<td>Art. 8, para. 7</td>
<td>Establish and maintain an inventory of emissions sources no later than five years after the date of entry into force for the party.</td>
</tr>
<tr>
<td></td>
<td>Art. 9, para. 6</td>
<td>Establish and maintain an inventory of release sources no later than five years after the date of entry into force for the party.</td>
</tr>
<tr>
<td>2027*</td>
<td>Art. 8, para. 5</td>
<td>Implement control measures for <strong>existing facilities</strong> no more than 10 years after the date of entry into force for the party.</td>
</tr>

COP-4.2 Preparations until COP-4.2

January
- 21 Dec: Invitations sent
- 12 Jan: Bureau Meeting
- 17 Jan: Registration opens

February
- 1-3 Feb: COP-4 Documents Briefing Sessions
- 11 Feb: Registration closes
- Between 7-11 Feb: Regional online meetings
- 14 Feb: Online Budget Forum opens (until 4 March)
- 14 Feb: Online Technical Documents Forum opens (until 11 March)

March
- Pre-COP.4.2 Online Side Events Week
  During the week of 7-11 March provision will be made for online side events by Parties and Stakeholders in the run-up to COP-4.2
- 8 March: Promoting gender in the implementation of the Convention
- 9 March: Information Session on budget

Consultations on the framework to evaluate the effectiveness of the Convention:
- 20 Jan: Deadline for written comments
- 25-27 Jan: Consultations

- COP-4.2 Overview
- Sat 19 Mar: Bureau meeting Regional meetings
- Sun 20 Mar: Regional meetings Secretariat Briefing
- Mon 21 Mar: COP-4.2 Plenary opens
- Fri 25 Mar: COP-4.2 Plenary opens

23 Feb: Information Session on national reporting and compliance
24 Feb: Information Session on the financial mechanism
Online Side Events

► Online Side Events in preparation for COP4.2 to be held on 7-11 March 2022

► Program starts at 11h00 CET ending at 18h00 CET, with 30-minute break in between programs. Each event is for 1 hour.

► 26 events - 5 country led submissions in partnership with NGOs; 10 submissions from IGOs, and 11 submission from NGOs.

► Topics covered:
  • Art. 3 - Supply and Demand
  • Art. 4 – Mercury-Added Products
  • Art. 7 - ASGM
  • Art. 10 - Storage
  • Art. 12 – Contaminated Sites
  • Art. 13 – Financial mechanism
  • Art. 16 - Health Aspects
  • Art. 19 – Monitoring
  • Indigenous peoples
Online Side Events

Some of the events are:

- Promoting implementation of the Minamata Convention on Mercury with a synergetic approach in the ECOWAS and SADC region – Switzerland and UNITAR

- Technical Cooperation between Indonesia and Japan for the Implementation of the Minamata Convention on Mercury – MOEF (Indonesia) and MOEJ (Japan)

- Specific International Programme: results and impacts of five projects from around the world – Minamata Secretariat

- Community-based actions to combat mercury contamination: experiences and lessons learnt from GEF Small Grants Programme – UNDP; GEF

- Role of Science Policy Interface in strengthening implementation of Minamata Convention – UNEP

- Development and Experience with the Use of Voluntary Custom Codes – GMP Product Partnership
2 November 2021: Consultation on Bali Declaration held during COP-4.1

31 January 2022: Deadline for comments on 1st consolidated draft text

Bali Declaration portal of host country website: https://cop4minamata.menlhk.go.id/bali-declaration/

Parties and observers registered for COP-4 may register for portal access to upload and view comments

21 February 2022: 2nd consolidated draft text

16 March 2022: Deadline for third round of comments

Comments and inputs on Bali Declaration through portal or to Mr. Aditia Nugraha at subditkonvensib3@gmail.com and balideclaration@cop4minamata.id. Kindly also copy mea-minamatasecretariat@un.org and marianne.bailey@un.org

#MakeMercuryHistory

2 March 2022
VISA REQUIREMENTS

• Due to the entry restriction, **visa on arrival is temporarily suspended until further notice.**

• **Diplomatic and service passport holders** could refer to the agreement between Indonesia’s Government and several countries on short visit visa-free for diplomatic and service passport holders. Further information and the list of agreements on Mutual Visa Exemption between the Republic of Indonesia and Foreign Countries can be found on [https://kevlu.go.id/portal/en/read/32/halaman_list_lainnya/pelayanan-visa-diplomatik-dan-dinas](https://kevlu.go.id/portal/en/read/32/halaman_list_lainnya/pelayanan-visa-diplomatik-dan-dinas).

• **Diplomatic and service passport holders who are not exempted** from the agreement as well as **UNLP holders** should contact the Embassies or Consulates of the Republic of Indonesia accredited to or stationed in the respective member countries.

• For delegates residing in a country where there is no Indonesia Mission, the following link will assist you in identifying the nearest Indonesian Mission: [https://kevlu.go.id/portal/en/page/29/kedutaan_konsulat](https://kevlu.go.id/portal/en/page/29/kedutaan_konsulat).

• **Delegates with ordinary passport** will have to go through a special mechanism due to the visa issuance restrictions. By contacting visa@cop4minamata.id. The e-Visa fee of USD 50 + IDR 200,000 (USD 14) will be borne by each delegate.

• For further inquiry regarding visa process, delegates may contact clearance.konsuler@kemlu.go.id, for delegates with diplomatic and service passport, and visa@cop4minamata.id for delegates with ordinary passport.

• For more information on required documents for visa application, please visit the Host Country website on COP-4: [https://cop4minamata.menlhk.go.id/protocol/visa-arrangement/](https://cop4minamata.menlhk.go.id/protocol/visa-arrangement/).
TRAVEL ARRANGEMENTS

• As of 4 February 2022, the Government of Indonesia has started to gradually open direct international flights to I Gusti Ngurah Rai Airport, Bali. If delegates can get access to direct flights to Bali, delegates are strongly recommended to take those flights.

• However, if the delegate cannot find direct flight to Bali and have to transit through Jakarta, delegates are able to take regular commercial flights operating from Jakarta to Bali. The COP-4 Organizing Committee strongly suggests a minimum of 5-hour transit time in Soekarno-Hatta Airport to allow sufficient time in processing health control procedures as well as all required documents prior departure to Bali.

• The Indonesian COP-4 Organizing Committee will provide ground team to assist delegates upon arrival both at I Gusti Ngurah Rai International Airport and Soekarno-Hatta International Airport for delegates who will have to transit through Jakarta. Delegates will be directed towards a dedicated lane and waiting room to undergo the health control procedures and other administrative procedures before moving to their respective official hotels or their scheduled flight to Denpasar, Bali.

• To ensure an optimal level of service, delegates should provide information on their flight schedule via email to logistic@cop4minamata.id no later than 7 (seven) days prior to departure to Indonesia. The arrival support team will also monitor delegates arrival through flight schedule.

• For more logistical information and the updated administrative arrangements document, please visit the Host Country website on COP-4: https://cop4minamata.menlhk.go.id.
FOREIGN TRAVELERS PREPARATION

- Download the PeduliLindungi Application
- Complete the e-HAC for Foreigners
- Take a RT-PCR test max. 2x24 hours before departure
- Fully vaccinated with a complete dose at least 14 days before departure
- Proof of ownership of health insurance with a minimum coverage value of USD 25,000 which includes financing for handling COVID-19
- Granted short-visit visa or other type of entry permit

REQUIRED DOCUMENTS FOR ENTRY

- Negative PCR test at the maximum 2 X 24 hours before departure
- Second dose COVID-19 vaccine certificate at least 14 days prior departure, and verified by PeduliLindungi Application (PL)
- Valid visa: short visit visa or other type of entry permit
- Delegates with certain medical condition who cannot be vaccinated, must enclose a letter of explanation issued by official national health authority in the country of residence
- Proof of ownership of health insurance with a minimum coverage value of USD 25,000 which includes financing for handling COVID-19
- Proof of ownership of health insurance with a minimum coverage value of USD 25,000 which includes financing for handling COVID-19
- Proof of ownership of health insurance with a minimum coverage value of USD 25,000 which includes financing for handling COVID-19

- **Deadline for booking extended until 6 March 2022**
- Please register your name to book official hotel of your choice through the reservation link at [https://cop4minamata.menlhk.go.id/hotels/](https://cop4minamata.menlhk.go.id/hotels/). For further inquiries delegates may contact Indonesia’s Organizing Committee at logistic@cop4minamata.id.
• **TRAVEL BUBBLE SYSTEM** in place in lieu of quarantine.

• All delegates and committee as well as all personnel involved in the Conference consisting of hotel staff, event staff, transportation staff and others are only allowed to mobilize inside the bubble.

• Any delegate, committee or involved personnel who leaves the bubble, is not allowed to re-enter. The bubble system is implemented since arrival at either Soekarno Hatta Airport or Ngurah Rai Airport, during the conference, and until departure, with strict health-protocol implementation.

• Official hotels are appointed for all delegates and committee, with strict health protocol implementation, and shuttle bus will be provided during the Conference. Satgas COVID-19 will be on duty at each official hotel.

• Every activity must be scheduled to facilitate supervision within the bubble system.
**Summary of Health Protocol in the Travel Bubble System**

**Pre-Arrival**

1. Complete Vaccination min. 14 days before departure to Indonesia
2. A negative PCR test result not more than 2x24 hours prior arrival date in Indonesia
3. Verify vaccine certificate through the Indonesian vaccination verification website at [https://vaksinln.dto.kemkes.go.id/sign/in](https://vaksinln.dto.kemkes.go.id/sign/in)
4. Have an of health insurance with a minimum coverage value of USD 25,000 which includes financing for handling COVID-19
5. Download and install PeduliLindungi application and fill out the Electronic Health Alert Card (EHAC). Tutorial video at: [https://www.youtube.com/watch?v=svNvutrNM9c&feature=emb_imp_woyt](https://www.youtube.com/watch?v=svNvutrNM9c&feature=emb_imp_woyt)

**Upon Arrival**

1. Body temperature check and COVID-19 PCR testing upon arrival
   - In Jakarta, delegates will be directed to a dedicated waiting room before proceeding to their next flight
   - In Bali, delegates may proceed to their official hotel to wait for the test result
2. Baggage claim, customs clearance, and check-in for the following flight will arranged by the PCO team.
3. If the PCR result is positive, the suspected delegate will immediately be separated from the group to be evacuated using an ambulance provided by the airport Port Health Office to a hospital for further examination, and all expenses will be covered by said delegate.

**During Meeting**

1. Daily rapid antigen test will be held at every official hotel. A negative test result which is valid for 24 hours, is required to enter the meeting venue
2. Ensure that everyone present at the venue is in good health and implements 3M: Physical Distancing, Wearing Mask, and Washing Hand/Using Hand Sanitizer.
3. Delegates must scan the PeduliLindungi barcode before entering and leaving the venue, and have their temperature checked before entering the venue. Handwashing facilities are provided and hand sanitizers are available at strategic areas.
4. The meeting room will be cleaned and disinfected daily, immediately before and after use.

**Pre-Departure**

The COP-4 Organizing Committee will provide the COVID-19 PCR test on the 25 and 26 March 2022 to assist delegates with the necessary health document for departure flights back to home country.
THANK YOU

WE provide…. In house clinic/mini ICU and three dedicated referral hospitals: BIMC Hospital, Siloam Hospital Kuta and Sanglah Hospital

**Sanglah Hospital**
Major public and teaching hospital in Bali. Dedicated team to cater international patients is available. Sanglah has 707 beds, in which 154 beds (32 beds are intensive) are dedicated for COVID-19 patients. The hospital is located 18.1 km from meeting Venue (30-40 mins via freeway).

**Siloam Hospital Denpasar**
A private hospital experienced in providing service for international patients. The hospital has 109 beds, in which 10 beds are ICU beds. Out of 109 beds, 36 beds (4 ICUs) are allocated for COVID-19 patients. The hospital is located 15 km from meeting Venue (20-30 mins via freeway).

**BNDCC Nusa Dua**
COP4 Minamata Convention Venue. A mini ICU/clinic will be set up in the venue with English speaking health professionals.

**BIMC Siloam Nusa Dua Hospital**
A private hospital with international standard, equipped with English speaking personnel. The hospital has 2 ICU out of 44 beds. Located 850 meter from meeting Venue (3 mins by car).
THANK YOU
Logistical information from the Secretariat
Anna GARCIA SANS
Communications and Knowledge Management Officer, Minamata Convention Secretariat
Please visit our dedicated webpage on all COP-4.2 preparations
https://www.mercuryconvention.org/en/meetings/cop4
Pre-registration opened on 17 January for parties and accredited observers: they received unique link for registration and were requested to submit a delegation letter.

Pre-registration for COP-4.2, including submission of the required documentation, should have been completed by 11 February.

Confirmation emails are sent to all accredited participants, and closer to the meeting the Secretariat will send:
- Connection details to access COP-4.2 in-session documents.
- Priority pass + details for in-person participation
- Login details for online attendance
- The change of attendance (in-person / online) shall be communicated to the secretariat

Financial assistance for one participant available upon request for developing-country parties and parties with economies in transition.

As for today, we have received 800 nominated participants.
The meeting will be PaperSmart and printed documents will not be distributed in the venue. Pre-session documents are available on the meetings' website at https://www.mercuryconvention.org/en/meetings/cop4#cop-documents, and in-session documents (such as conference room papers) will be uploaded on a safe section within the same site.

Generic username and password for all COP-4.2 participants.
Online participation

► Parties and observers could register **additional delegates for online attendance** at both plenary and contact groups.
  • Online participants will be able to follow the proceedings of the meetings
  • Delegates in Bali will be engaging directly in the meeting

► Due to **COVID-19** related travel restrictions for some parties, the Secretariat will enable them active online participation for all meetings (including regional). The Secretariat has also undertaken a **contingency plan** for any delegate of party or observer who may test positive for COVID-19 upon their departure, arrival, and during COP-4.2, enabling active online participation.

► **Plenary sessions, contact groups and regional meetings** will be conducted using **Interactio**. Plenary is in 6 UN languages.

► **Training sessions**
  • 2 technical sessions will be offered on 14 March (in the morning and in the afternoon to accommodate different time zones)
How to follow online

► Online participants can go to the main COP-4.2 web section, click on the dynamic schedule and provide their registration login credentials.
