Jacqueline ALVAREZ
UNEP

14:20 – 14:40 Discussion on sharing views, suggestions and open questions

14:40 – 14:45 Closing remarks

This side event aims to:

- Raise awareness of the latest discussions on SAICM Beyond 2020 and the road to ICCM5; vision, scope, strategic objectives, targets, and envisaged programmes of work towards implementation;
- Discuss how to best align SAICM Beyond 2020, Multilateral Environment Agreements (MEAs) and the future Science-Policy Panel (SPP) in order to achieve an overall, comprehensive framework on chemicals and waste that will serve the global community for many years to come.

Registration:

This event will take place in a hybrid format, both in-person and virtually. In-person participation is open to the registered participants to the BRS COPs. Online participation is open to all.

Register on [Webex](#).
